Greetings from Andhra Pradesh - Sunrise State

Sri. N. Chandrababu Naidu

Chief Minister, Govt. of A.P.

&

Chief Patron - 68th IPC 2016

I am delighted to note that the 68th Indian Pharmaceutical Congress is being hosted by the Indian Pharmaceutical Association during December 16-18, 2016 in the most happening city of Andhra Pradesh, Visakhapatnam. I welcome the Delegates, Researchers, Academicians, Regulators, Industry leaders, Hospital and Community Pharmacists to this congress and sincerely wish the three day deliberations would result in an outcome of great importance to the public in general and society at large.

I congratulate the LOC of 68th IPC and the host association IPA for taking all the initiatives to make this mega event a grand success. I am glad that the Andhra University College of Pharmaceutical Sciences is the venue for this congress and urge the congress organizers to make every effort to ensure that the Pharmacists and Pharmaceutical Scientists attending the congress from all over the globe would commit themselves for a 'Healthy India'.

Look forward to meet you all at the congress.

Dear Pharmacy Colleagues and Professionals,

Greetings from LOC of 68th IPC 2016 - Vishakapatnam.

The local organizing committee of the 68th IPC along with Indian Pharmaceutical Association (IPA) core committee is extremely delighted to invite you all to the 68th Indian Pharmaceutical Congress to be held in Visakhapatnam, Andhra Pradesh. The 68th IPC - 2016, hosted by IPA, is very fortunate to have the consent and support of the great visionary and dynamic leader, Sri N.Chandrababu Naidu, Hon. Chief Minister of the State of AP as the Chief Patron of the congress along with a galaxy of Pharma Professionals as Patrons, Co-Patrons and Advisory Committee members. The 68th IPC will be held during December 16-18, 2016 for the first time in the newly formed State of Andhra Pradesh, in the beautiful coastal city of Visakhapatnam, which is ranked 5th in Swath Bharath Sarvekshan 2016 and is rapidly emerging as the Pharmaceutical Industry hub of the State of AP.

The theme of the 68th IPC, an extension of the previous IPC theme "Pharma Vision - 2020 Pharmacists for a Healthy India" with a tag line 'Quality Pharmaceuticals and Patient Welfare', projects the role of pharmacists not only as a manufacturer of quality pharmaceuticals but also as an ensurer of patient welfare by improving treatment outcomes through advanced pharmacy practice. The Congress objective is to project to the Nation the importance of pharmacist in achieving 'Healthy India - Swasth Bharat' by 2025. The LOC is confident that the Scientific Sessions and deliberations of this Congress would be thought provoking to help gain knowledge and experience to update the delegates.

The LOC would spare no effort to make this congress a memorable and unique one by introducing reforms in the conventional system of organizing the congress. Pharmexcl, IDMA and OPPI have already joined as supporting associations to the 68th IPC. Introduction of interactive Scientific Sessions, a Placement Conclave and a novel Food Court concept are few examples of changes planned during this congress.

The Local Organizing Committee (LOC) earnestly requests your generous contribution through placing advertisement in the Souvenir to make 68th IPC-2016 a grand success.
