Sub: Request to include the Pharmacist Day 25th September as one of the health Days on National Health Portal

Respected Sir,

"The Indian Pharmaceutical Association (IPA) is a 75 year old premier organization representing pharmaceutical professionals. It is registered as a Charitable Trust with an objective to promote the science and art of pharmacy in all aspects and impart suitable education and training to professionals working in all facets of pharmacy and pharmaceutical sciences. IPA with a member base of over 12,000 spread across the length and breadth of the nation, operates through 19 State and more than 33 local branches. IPA has five major divisions representing Industrial Pharmacy, Regulatory affairs, Education, Clinical Pharmacy and Hospital Pharmacy. The student's forum of IPA is a part of IPA Education division.

IPA is affiliated to international pharmaceutical associations like FIP, FAPA, CPA, AAPS, AAiPS and IPSF and organizes in collaboration with them, seminars, symposia, training sessions and conferences. As a member of the Drug Technical Advisory Board (DTAB), IPA is actively involved in advising the Government of India on matters of Drug Regulation and Drug Industry. IPA is actively involved in public health activities in Central Government's Revised National Tuberculosis Control Program (RNTCP). IPA is also engaged in healthcare activities in collaboration with international organizations like WHO, FIP and WHPA."

We wish to congratulate you for launching National health Portal which is extremely useful resource of health information for the citizens of the country. We are writing to request you to include the Pharmacists Day, 25th September as one of the Health Days on National Health Portal in Health Wellness Calendar.
