

National Pharmacy Week (NPW)-2016

Dear Members,

The Indian Pharmaceutical Association has been celebrating the National Pharmacy Week every year during the third week of November. The major focus of NPW celebrations is to create awareness amongst the public, other healthcare providers and the authorities, about the NPW theme in specific and about the pharmacy profession and role of the pharmacist in general.

The 55th National Pharmacy Week (NPW) will be celebrated from 20th to 26th November, 2016

The theme selected for this year is:

"Pharmacists for a Healthy India; Role in Prevention and Management of Diabetes"

We look forward to receiving your innovative ideas about how NPW should be celebrated this year as well as about the educational material to be developed to make it most effective and meaningful. Your active participation is most welcome.
