About Indian Pharmaceutical Association:
The Indian Pharmaceutical Association (IPA) is the national professional body of pharmacists engaged in various facets in the profession of pharmacy. The IPA is committed to promote the highest professional and ethical standards of pharmacy, it focuses the image of pharmacists as competent healthcare professionals, it helps in promoting the community, along with providing government and others on vital professional issues and support pharmaceutical education and sciences in all aspects.

Indian Pharmaceutical Association – Education Division (IPA-Ed) conducts many training programmes, seminars, symposia, conferences and workshops on the latest technologies, trade and regulations governing the various facets of Pharma Industry.

IPA-Ed is mainly focused to impart suitable education and training to the students, in helping them to prepare for the carries in pharmacy or to those who are already experienced in profession.

In these unforeseen conditions of COVID 19 pandemic also, IPA Ed is continuously striving to provide a platform of learning to the students of Pharmaceutical Sciences by conducting several National and International Webinars and Quizzes.

About GPAT examination:
GPAT is conducted by National Testing Agency (NTA) on behalf of Ministry of Human Resource Development (MHRD), Govt. of India for admission in to Masters Degree of Pharmacy.

Advantages of GPAT:
The GPAT score is used for admissions to various educational programs like Master of pharmaceutical sciences, and Doctor of Philosophy from various Indian higher educational institutes, with financial assistance provided by AICTE and other government agencies. GPAT scores are also being used by several Indian public sectors like government-owned companies for recruiting graduates in entry-level positions. GPAT qualified candidates are also eligible for Junior Research Fellowships in CSIR Laboratories and CSIR sponsored projects. The GPAT score of a candidate reflects there relative performance levels. The candidates need to attain a threshold percentage to be eligible to attempt NIPER exam.

Objectives of the GPAT online practice tests for the competition:
1. These tests provide a clear demonstration of the actual examination. This will make the candidate to get practiced with all the aspects of the exams.
2. The students will get familiarized with the question paper pattern, and will gain experience in performing objective based questions.
3. Syllabus Wise tests help students by giving them an opportunity to revise the syllabus well before the GPAT examination.
4. Mock tests help students in overcoming their phobias of exams, such as, anxiety or nervousness about the exam.
5. The more tests students will take, the better they will understand about their strength and weakness, thus helping them throughout their preparation.
6. These tests will help students to introspect their mistakes.

Who should attempt these tests:
All the 3rd and Final year B. Pharmacy students are eligible to attempt these exams.
## PROGRAM COMMITTEE

**CHIEF PATRON**
DR. T. V. NARAYANA  
PRESIDENT  
INDIAN PHARMACEUTICAL ASSOCIATION

**PATRON**
MR. SURESH KHANNA  
HON. GEN. SECRETARY  
INDIAN PHARMACEUTICAL ASSOCIATION

**CONVENOR**
PROF. S. VIDYADHARA  
CHAIRMAN  
IPA-EDUCATION DIVISION

**CO-CONVENER**
DR. S. SRIDHAR  
MD. INSPIRE INFORMATICS

**REGISTRATION COMMITTEE**
DR. R.L.C. SASIDHAR - CHIPS  
DR. B. VENKATESWARA RAO - CHIPS  
MR. A. CHAKRAVARTHY - CHIPS

**EXAMINATION COMMITTEE**
DR. S. JYOTHI SRI  
ACADEMIC DIRECTOR  
ESPHARMA EDUCATION  
DR. A. RAMU - CHIPS
