**General Guidelines for PowerPoint presentation Slides**

- Each slide should be organized, easy to read, and concise (so that it does not distract from your presentation or confuse the audience/evaluator)
- Do not use slide transitions or animations.
- A convenient rule to follow is the 6 x 6 rule:
  - Do not include more than six bullet points per slide
  - Do not use more than six words per bullet.
  - Avoid using paragraphs of text.
- Limit the number of slides to 10
  - 1 title slide that introduces: Project title, Author line with presenter's name in ALL CAPS, Presenter's affiliation, and institution/organization
  - 8 content slides
  - 1 Acknowledgements slide with references (You can add them to the bottom of your content slides or at the end of your presentation on the acknowledgements slide.
- No decorative presentations are entertained.
- Duration (A total of 10 minutes, 8 minutes for presentation and 2 minutes for evaluation).

**Note**

All participants kindly adhere to 6 x 6 rule, and points mentioned above within time and slides limit.

**Evaluation of Oral Presentation**

- Oral presentations will be evaluated by subject experts.
- Rubrics for evaluation includes: Display and organization (40 marks), scientific content (40 marks), and ability to respond the queries (20 marks).

Best Wishes.

Thanks and Regards,

Team IPA Anantapur Branch and RIPER Autonomous !!!
