

# 60<sup>th</sup> National Pharmacy Week (NPW)-2021

Dear Members,

The Indian Pharmaceutical Association has been celebrating the National Pharmacy Week every year during the 3<sup>rd</sup> week of November. The major focus of NPW celebrations is to create awareness amongst the public, other healthcare providers and the authorities, about the NPW theme in particular and about the pharmacy profession and the role of the pharmacist in general.

**The 60<sup>th</sup> National Pharmacy Week (NPW) will be celebrated from  
15 to 21 November, 2021**

The theme selected for this year is:

**"Pharmacist: An integral part of healthcare"**

We look forward to receiving your innovative ideas about how the NPW should be celebrated this year as well as about the educational material to be developed to make it most effective and meaningful. Your active participation is most welcome.
