Indian Pharmaceutical Association - Students’ Forum (IPA-SF) is the student division of the IPA, founded in 2008 under the mentorship of IPA- Education Division, which aims at fostering escalation of pharmacist’s portrayal within the country and abroad, so as to encourage pharmacy students amongst the country and upraise recognition and team spirit.
IPA-SF aims to bring all pharmacy students under one umbrella so that their energies can be synergized to make a difference. This will enable them to become better future pharmacists, while abiding with the highest ethical and professional standards. This will be catalyzing their overall development, honing their academic, leadership and professional skills for their benefit in turn the profession and thus the health of India.

AIMS & OBJECTIVES OF IPA-SF

- To serve as a platform for all the pharmacy students in India, to come together and explore their absolute potential.
- To contribute in improving the status of Pharmacy profession.
- To represent students’ views on pharmacy curriculum.
- To contribute towards improving health care in India.
- To fuel the potential of recent graduates and young pharmacists, ans enthusiastic agents of professional and social change.
- To promote leadership amongst members while abiding the highest professional and ethical standards.
- To promote social and professional contact amongst young pharmacists fostering intercultural competence and professional development.
- To participate in pharmacy policy development in a pro-active way.
- To establish, maintain and expand a national and worldwide network of Pharmacy students.
- To give the students an exposure to international pharmacy scenario.

IPA-SF was founded by Prof. (Dr.) T.V. Narayana as Education Divisional Chairman, IPA on August 16, 2008 in Mumbai in the presence of former President of India, Late Dr. A.P.J. Abdul Kalam.

Panipat Institute of Engineering and Technology, which is popularly known as PIET is a renowned institution of Engineering and technology across North India established in 2006 and is affiliated to Kurukshetra University, approved by All India Council for Technical Education (AICTE), accredited by NAAC and four departments, viz., B.Tech CSE, IT, ECE and MBA are NBA accredited. The institute is located on the NH-1 (now NH-44) on the Grand Trunk Road, and is approximately 70 KM from Delhi. Presently, PIET is offering B. Tech. (CSE, IT, ME, CE, Textile, ECE), B. Tech. CSE (AI & DS), B. Tech. CSE (Cyber security), B. Tech. CSE (AI & ML), B. Pharm., D. Pharm., BBA, BCA, BCA (Cloud Computing & Information Security), MCA, MBA, BA (Eng. Honors), BA (Eco. Honors), B. Com., B. Com. (Honors), B. FAD and Pharmacy programs, viz., B. Pharmacy is affiliated to Pandit B.D. Sharma University of Health Sciences, Rohtak & D. Pharmacy to Haryana State Board of Technical Education, Panchkula.

During the COVID-19 pandemic time, the institute came up with online and then blended mode of teaching-learning pedagogy for effective teaching process and installed softwares for automated lecture capturing system using EVOTA and IMPARTUS. PIET has trained teachers for flipped based teaching for developing creative and analytical thinking in the students.

In a sprawling green campus, PIET has launched many novel initiatives, viz., Assured Placement Programme in 2021 to apprise students about the current trends of industry 4.0, wherein the industry’s senior functionaries discussed about the demanding emerging technology and learning for placements. The main objective of this program was to make the students ‘Job Ready’ as per the market trends. Keeping in view, the courses such as, Data Science, Full Stack JAVA Development, Construction Management, Embedded Systems, VLSI and IoT were started. Students were selected by an online test comprising of the questions pertaining to aptitude, reasoning, technical aspects and finally the telephonic interviews.

The institute has developed a culture of innovative practices through the establishment of Institutional Innovation Cell under Innovation Ecosystem for promoting Start-ups and set up its Entrepreneurship Development Cell and established Haryana’s biggest Incubation Centre with the name RISE (Research, Innovation, Start-Up and Entrepreneurship).

PIET has been recognized by AICTE for establishing the “IDEALAB” and funded INR 55 lacs to create the infrastructure to establish and support the new age learning under Science, Technology, Engineering and Mathematics (STEM). The basic aim of this lab is to pool the innovative ideas of the students to promote the entrepreneurship. This lab will provide the platform to develop, nurture and realize the innovative ideas of the students to commercialization.
